"K. K." Has Something to Say About Haiku's Bad Roads

Editor MAUI NEWS:

In your issue of the 5th you state that the trustees of the Chamber of Commerce had taken up the matter of good roads on Maui, and more so, for the Homesteaders of Kuiaha. The roads in that section have never been in that condition since Capt. Cook landed.

In passing through Pauwela the other day I saw a traction engine, and 4 wagons, standing idle alongside of the road, getting rusty. I also saw several graders standing idle, rusting away. At Maliko I saw thousands of yards, of fine gravel, waiting to be carted away with the engine and cars, to be put on the roads at Haiku, and Kuiaha. Why was it not put there? No money. Still they had money for the election for \$119,000.00. Why did they not spend that money on the Kuiaha, and Haiku roads? The Board says they are hard up; why not let out the Sanitary Inspectors, and turn that money over to the Haiku, and Kuiaha roads, and let the Policemen do the inspecting?

Why don't the Supervisors tend to their own duties, and let the district overseers attend to the road work. What they are paid for, and not butt in to something they know nothing about? The Supervisors were elected to see that everything was run properly, and not butt in, what is the consequence, nothing done, no money to do anything with, thousands of yards, of gravel at Maliko, waiting to be put on the Haiku roads, machinery rusting at Pauwela, no money, but money for an election for the benefit of 5 or 6 men, roads all going to the fence. Well may the people of Maui, from north to south, and from east to west, cry out, 'oh for a Pogue to lend us once more.'

But then you see we are broke,
 K. K.
